 - Class teachers and the form discipline teacher may also contact parents or guardians for follow up.

1. Students who are absent from a lesson with no proper reasons are considered absent one time.
2. Students who leave the lesson without the permission of the subject teachers will be counted as one absence.
3. When students have accumulated a certain number of absence records, some follow-up measures will be taken to tackle their poor performance.
 - The 1st absence record: The students will be given a written warning.
 - The 2nd absence record: The students will be given a black mark.

Remark:

1. Students who are late for the lesson or absent from the lesson and have claimed to have a wifi connection problem should contact the office as soon as possible when the wifi problem is discovered. A letter signed and dated by the parent or guardian with the reason(s) clearly stated should be submitted to the class teacher on the following day.

Once again, our school hopes to facilitate the students to become independent learners before they can make their way into university. We believe that with the assistance and guidance of parents or guardians, our students can be effectively adapted to the new learning mode in order to explore the right career to pursue.

Kindly acknowledge receiving and sign this circular by the Parent App on or before 13th September, 2021. Should you have any enquiries, please contact the General Office at 2323-4265.

Thank you for your attention.
