- (i) Parents have to settle the miscellaneous payment for the whole school year through the e-payment system once a year. The items include exercise books, air-conditioning, IT development fee, Membership of Student Association and Houses, etc.
- (ii) Parents must receive formal notices from the school before settlement of any payment. The school will notify parents of the amount of payment through parents' letter. Parents can use the methods shown in part (b) to settle the payment through the E-payment system.
- (iii) Parents and students may validate the payment details through logging into their E-class account.
- (iv) At the end of each academic year, the remaining sum will be carried forward to the next academic year automatically, without any interest. The surplus amount will be returned to the parents / guardians when the students leave school or graduate from school.
- (v) For any enquiries, please contact Mr. Hsia MW (Chairperson of IT Committee).
