Dear Parents/Guardians,

Senior secondary class structure and elective subject combinations

In response to the optimising measures of the Senior Secondary (SS) Core Subjects proposed by the Education Bureau (EDB), the SS class structure and elective subject combinations announced earlier will be adjusted. The arrangement will be effective at S4 in the 2021/2022 school year. For details, please refer to the attachment.

On 21st May 2021 (Friday), all S3 students were informed of the finalized SS class structure and elective subject combinations in a talk. For your reference, the video of the talk can be accessed by scanning the QR code below.

In addition, to facilitate S3 students in elective subject selection based on the adjusted elective subject combinations, a trial subject selection will be conducted. Students are requested to upload the trial subject selection form to the form-based Google Classroom on or before 4th June 2021 (Friday). The results will be released in the class-based Google Classroom on 8th June 2021 (Tuesday). On the same day, the genuine elective subject selection form will be posted in the form-based Google Classroom. The form submission date and result release date will be 2nd July 2021 (Friday) and 17th July 2021 (Saturday) respectively.

Kindly acknowledge receiving and sign this circular via Parent App by 28th May 2021 (Friday). Should you have any enquiries, please contact Ms. Tin Yuen Shan, the Vice-principal, at 2323 4265.

Yours faithfully,

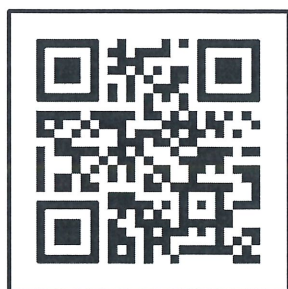

Dr. Chu Kai Wing
