Learning Support Arrangement for S5 Students

Our school strives for academic excellence through helping our students acquire knowledge and attain good results in public examinations.

Our teachers are committed to helping our students obtain better results for university entry. A series of extra lessons and a uniform test will be arranged for S5 students this summer. It is hoped that they can help our students finish their exam syllabuses earlier so that they can make good use of the summer vacation for study. Please refer to the appendices for details. Students must wear their proper summer school uniform and attend every lesson on time. Follow-up actions will be taken for any irregularity according to the school regulations.

Kindly acknowledge receiving and sign this circular by Parent App by 3rd July, 2021 (Saturday).

Yours faithfully,

Dr. Chu Kai Wing
